Teacher of Chemistry/Science

Full time, permanent contract, MPR/UPR, September 2025 start

We are seeking an enthusiastic and well qualified teacher to join our very experienced and dynamic Science faculty. You must be able to teach general Science to KS3, and Chemistry to GCSE and preferably A Level. The ability to teach a second science to GCSE would be welcomed.

SRMS is a great place to work and teach – it is a friendly, dynamic school where both staff and students thrive because they are highly valued. Our students are bright, able and eager to learn, and due to our environment of excellent behaviour, teachers are able to teach their subjects to a high level.

We are preparing to embark on a new strategic development plan for the school, which values a rounded education that not only delivers outstanding academic outcomes but also encourages participation in the wider life of the school and development of skills for life, including leadership, collaboration and independence.

SRMS is a mixed grammar school that was graded Good in all categories by Ofsted in September 2022.
