We are seeking an enthusiastic and well-qualified specialist to join this highly effective department to cover for a member of the team while they are on maternity leave.

The Mathematics Department is made up of positive, dedicated staff who enjoy Maths and have a thorough subject knowledge. The team are supportive and, encouraging, and its members are also involved in the wider life of the school. Within the School, the department is well respected and the students enjoy their lessons and make very good progress. Teachers have high expectations and place an emphasis on laying good mathematical understanding.

We are a five form, mixed, selective school. The School is proud of its reputation for being inclusive, friendly and welcoming and one that focuses as much on the development of the whole person as much as it does on academic progress.

The School is a friendly, dynamic place to work, where both staff and students thrive because they are highly valued. Our students are bright, able and eager to learn, and due to our environment of excellent behaviour, teachers are able to teach their subjects to a high level. The School is situated in a beautiful area of Kent, close to both coast and rolling countryside.
