

HEAD OF BIOLOGY

Full time, permanent, TLR 2b, from September 2022

We are a five form, mixed, selective school graded Outstanding in all categories by Ofsted in April 2012. The School is proud of its reputation for being inclusive, friendly and welcoming and one that focuses as much on the development of the whole person as much as it does on academic progress.

We are seeking an enthusiastic and well qualified teacher to lead our very experienced and dynamic Biology Department. GCSE and A level results are very good in Biology and it is a popular choice for A Level, with many of our students going on to study Biology, or a related degree, at leading universities. The person appointed will teach mostly Biology at GCSE and A Level but they must be able and willing to teach general Science to KS3 if the need arose, and ideally a second science discipline to GCSE.

The School is a friendly, dynamic place to work, where both staff and students thrive because they are highly valued. Our students are bright, able and eager to learn, and due to our environment of excellent behaviour, teachers are able to teach their subjects to a high level. The School is situated in a beautiful area of Kent, close to both coast and rolling countryside. It is also close to the channel crossings at Dover and Ashford and has very good connections to London via the High Speed rail route to Kings Cross and the A2/M2 by car. Local house prices and rents are considerably lower than those in London and the Home Counties.

For further details and a downloadable application form please visit the vacancies section of the school website (www.manwoods.co.uk) or contact the Head's PA, Mrs K Robinson, on head@srms.kent.sch.uk or 01304 610206.
