WHY AN E³ DIPLOMA?

The *E³ Diploma*:

- *encourages* students to explore their *extra-curricular* interests
- *rewards* students who contribute to the *wider life* of the school
- *develops* students' ability to *record* their achievements
- *assists* students with their post-school *applications*
- *focusses* on the efforts of the '*whole person*'

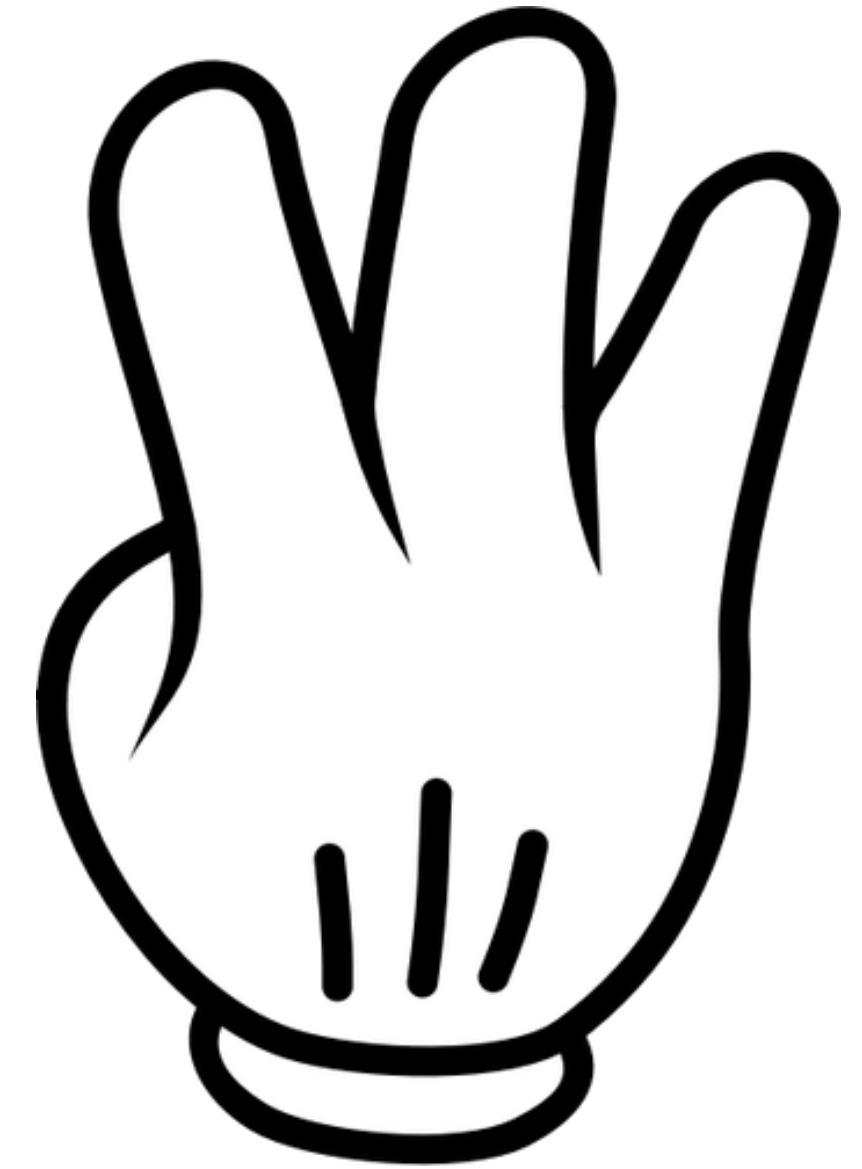

WHO MIGHT BE INTERESTED?

Anyone!

Eventually, there will be **three** diplomas available:

- **Junior** (KS3)
- **Intermediate** (KS4)
- **Senior** (Year 12)

In **Year 12** this year, **all students** complete the **Senior Diploma**.

E³ DIPLOMA - ENGAGE...

Students should **engage** with their **community**, both inside and outside school.

During **Year 12**, students should **complete** and **log** hours of community service / volunteering / extra curricular activities.

Time spent with clubs, societies, sports fixtures & practices, music / drama rehearsals, assisting with a junior class **all** counts.

Awards will be given for **Bronze** (10 hours), **Silver** (25 hours) and **Gold** (50 hours).

E³ DIPLOMA - EXPLORE...

Students should **explore** an area beyond the curriculum - completed through the **enrichment** programme.

Students are to ***sign up*** to and ***complete*** one course from those on offer.

Achievement will be shown by ***attendance*** and completion of a relevant ***assessment*** by the area teacher.

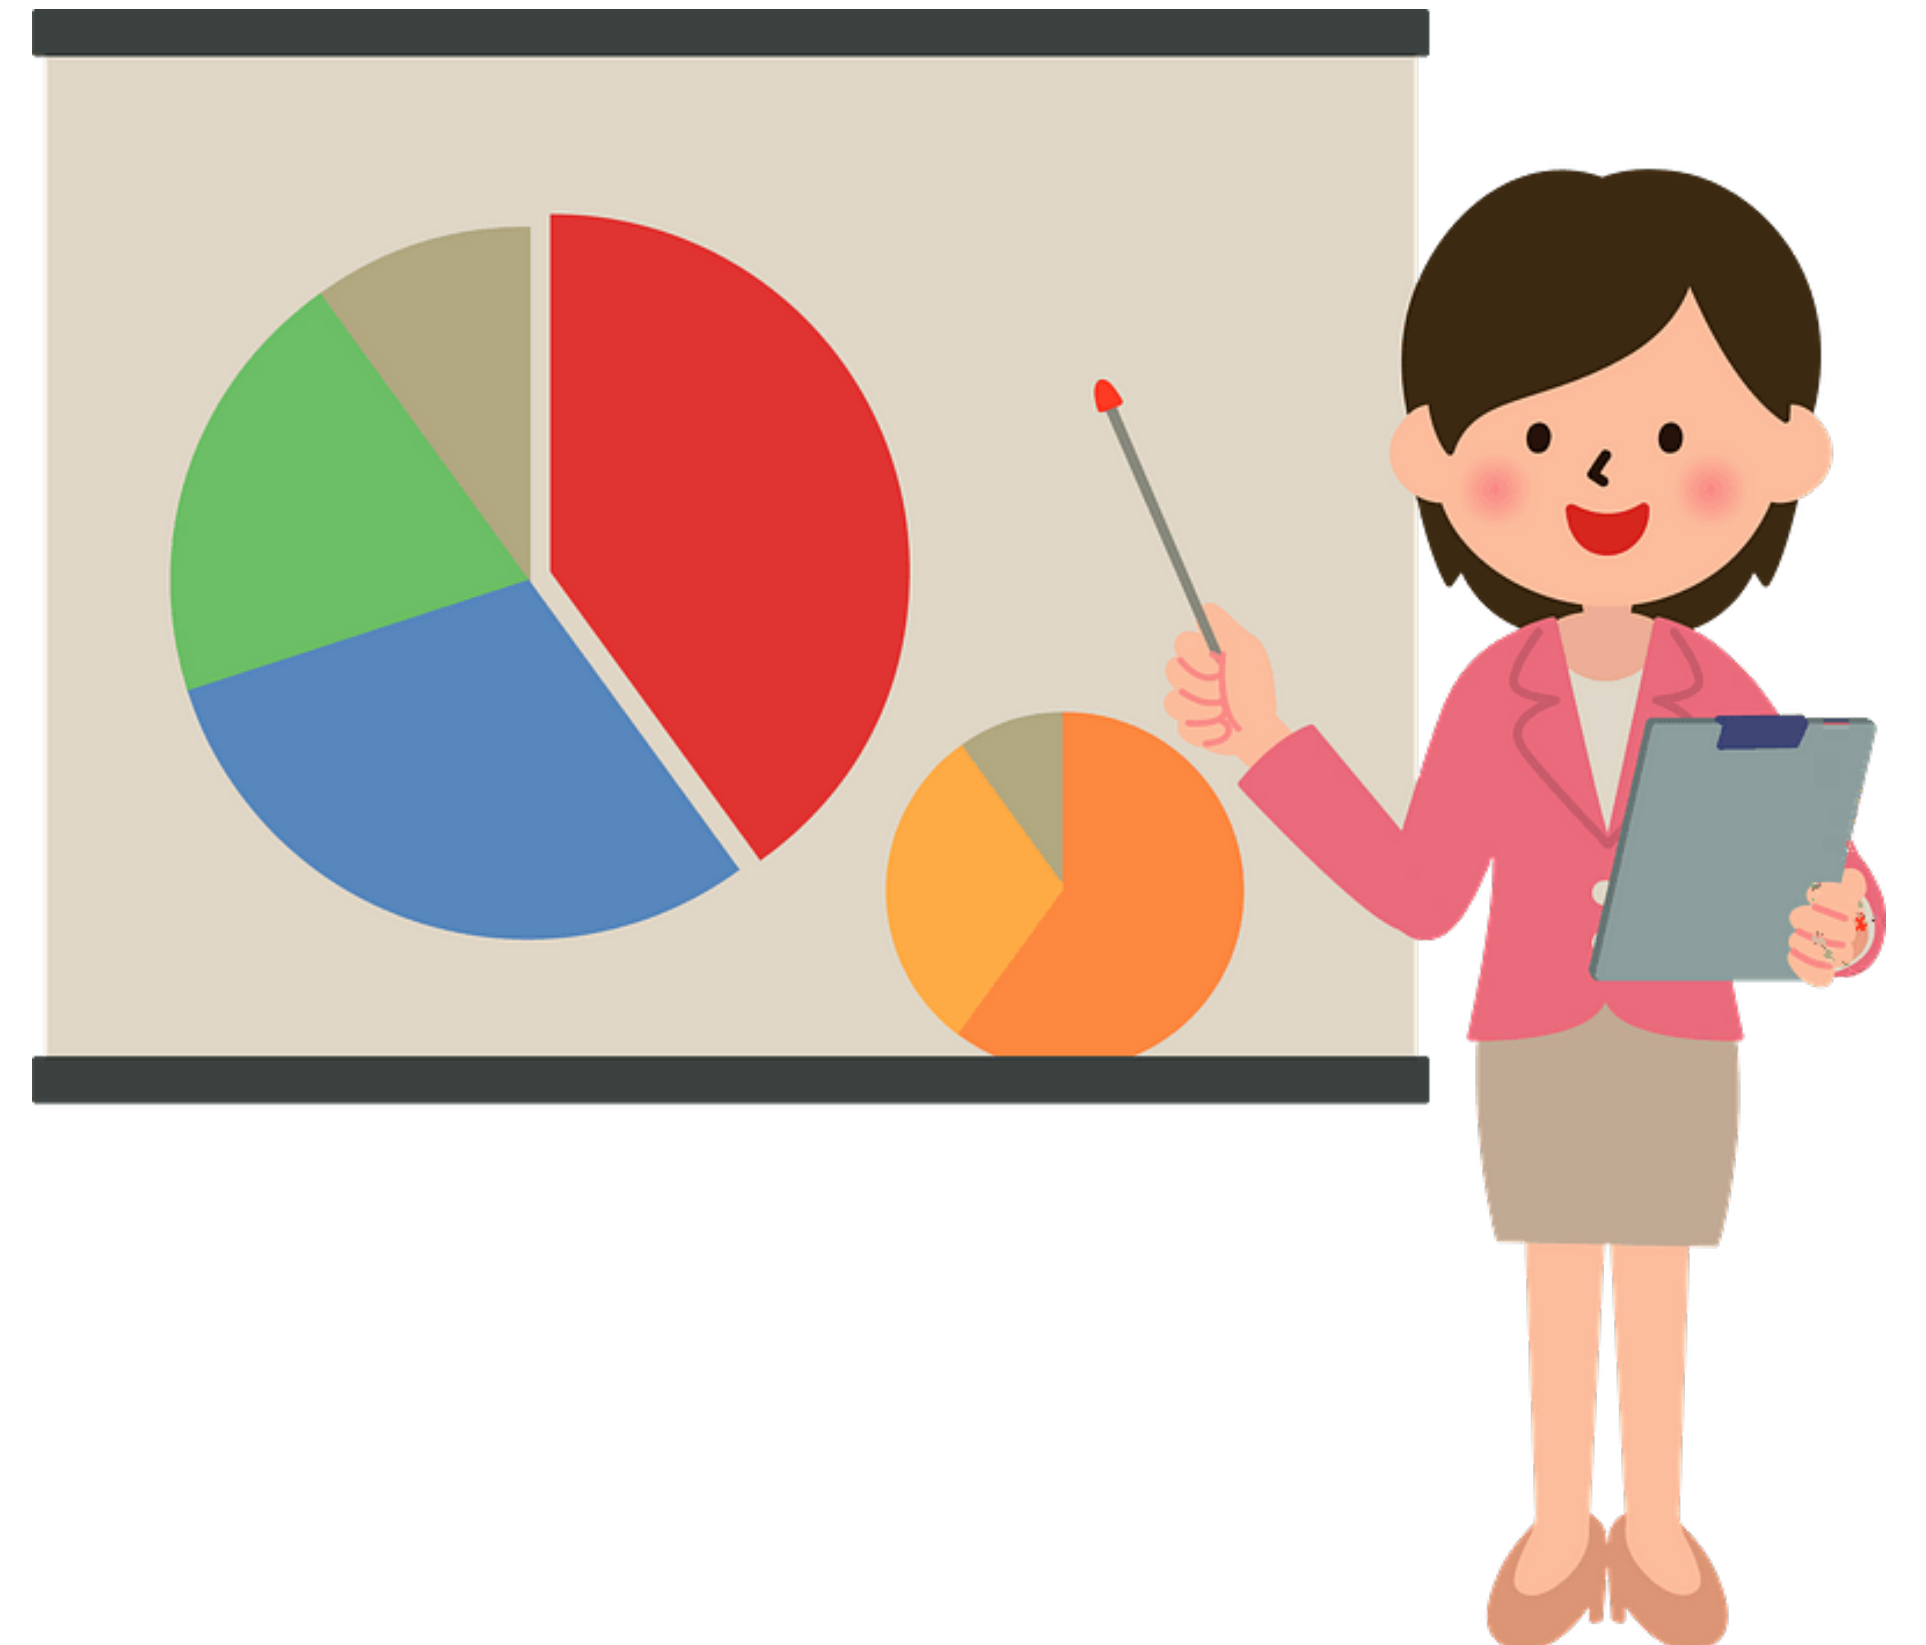

E³ DIPLOMA - EXCEL...

Students will display their ability to **excel** beyond what we cover in lessons.

They will need to prepare a **15 minute** speech / presentation / workshop on an area beyond the curriculum. This might be on an **academic** topic, insight into something they **participate** with as part of **Engage**, or an **interest** they have.

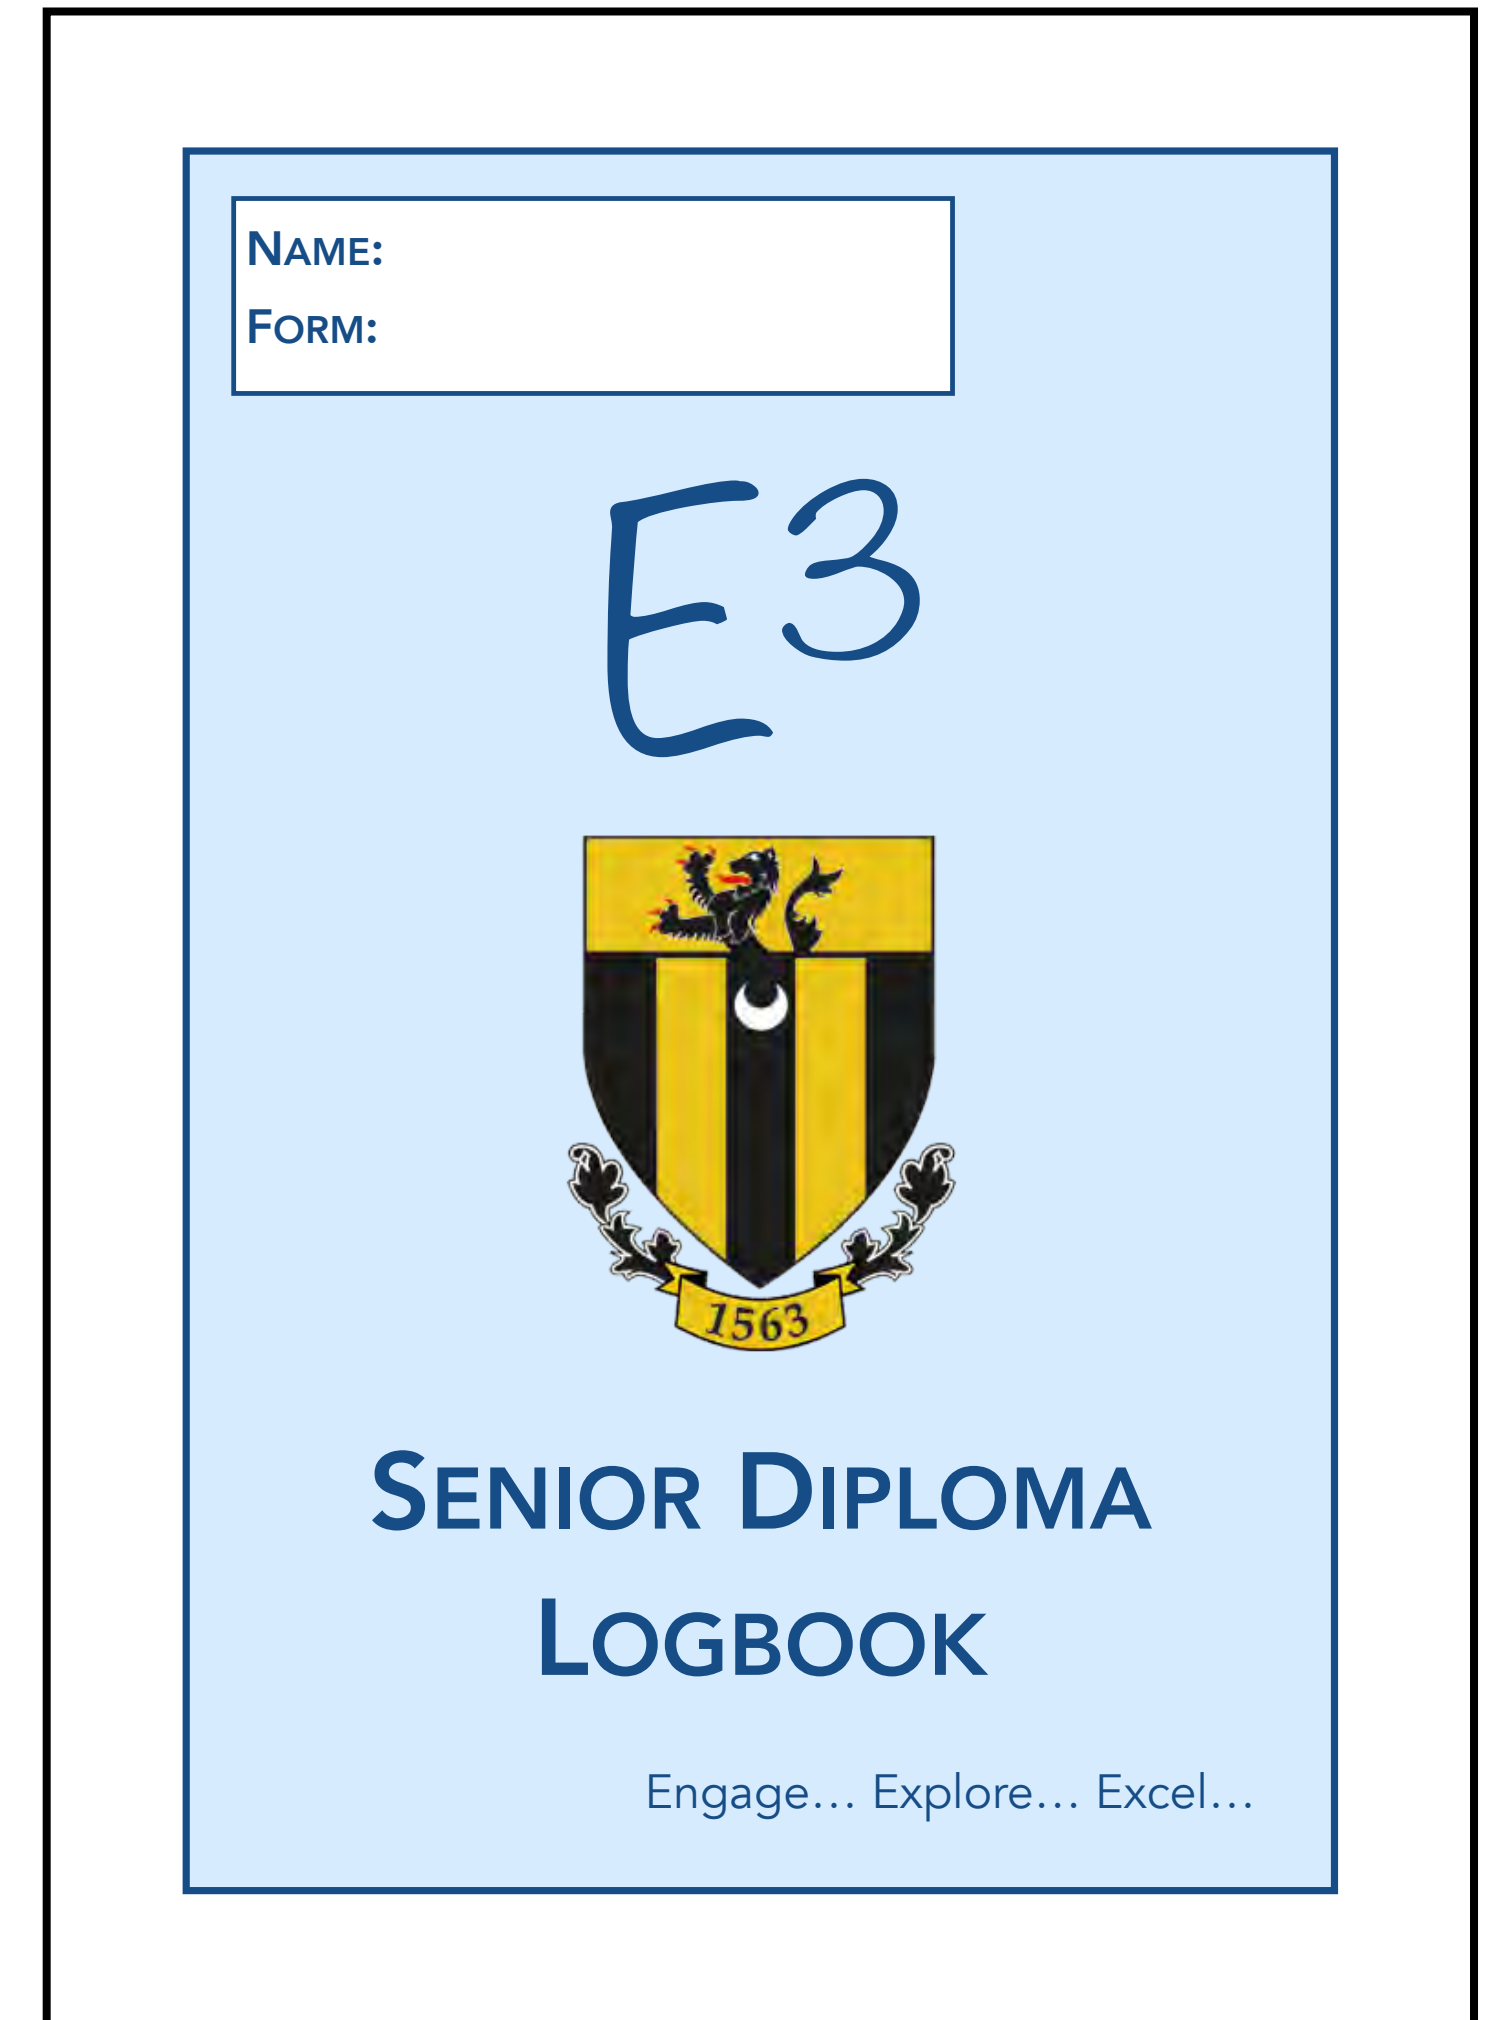

These will be **presented** during **morning registration**.

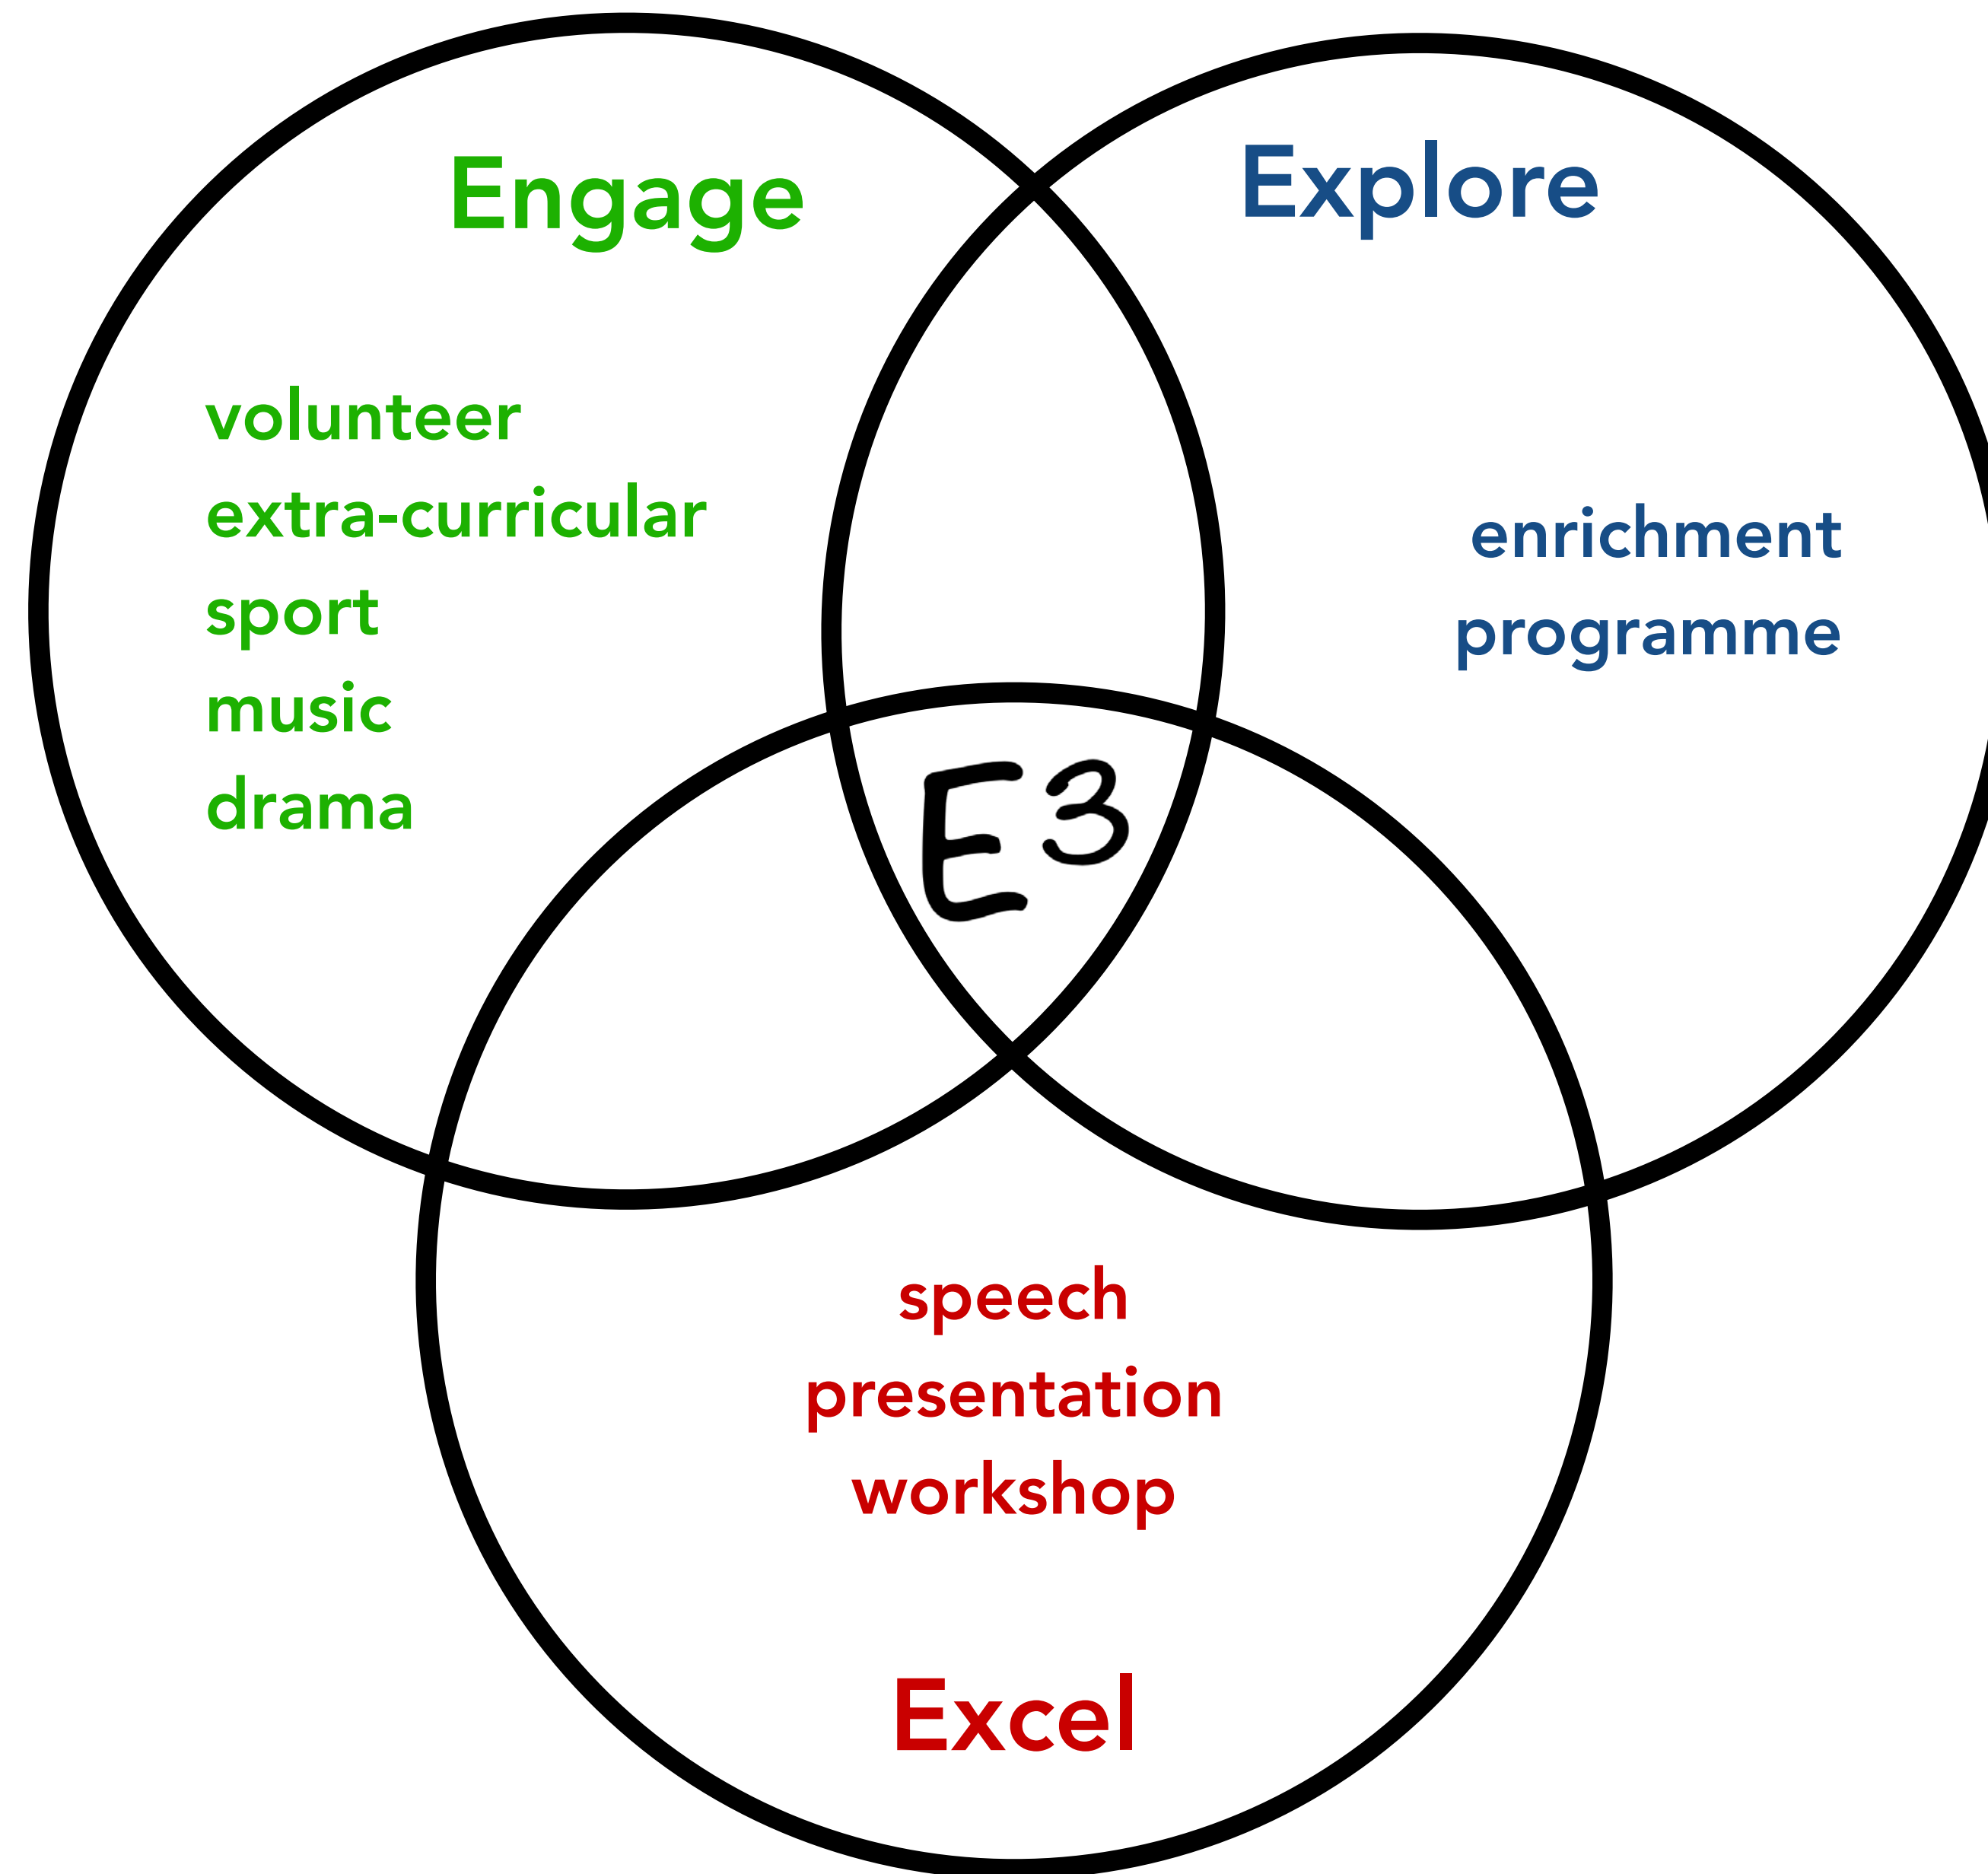

E³ SENIOR DIPLOMA

Students are required to ***track*** their progress in a ***logbook***, which will provide a ***record*** of their achievements. Each section will need to be ***signed off***.

Certificates will then be awarded to recognise students' ***achievements***.
