Subject Combination

Mathematics and Further Mathematics

Can only be taken as part of a 4 A Level combination
(minimum of 6 GCSEs at grade 7+ inc. min grade 8 in Maths
and at least 5 in English)

Caution

Please note that whilst every effort will be made to facilitate all student choices:

- ▶ subjects may not have enough students to make them economically viable
- or
- ▶ certain combinations simply may not fit

Your timetable cycle

- ▶ 50 hours in school per 2 week cycle
- ▶ 27 hours of subject lesson (9 each)
- ▶ 3 or 4 hours of Enrichment/PSHCE
- ▶ Autonomous study
- ▶ Engage...Explore...Excel... (E³ Diploma)

Extended Project Qualification

- ▶ The Extended Project (worth half an A Level) – a separate qualification that students can opt to complete as part of the Enrichment program.
- ▶ A project on a topic of the student's choosing which may or may not be linked to their A Level subjects; to develop research and independent learning skills.
- ▶ Valued highly by Universities/Employers

How to choose

- ▶ What do I enjoy?
- ▶ Which subjects am I best at? – assessments/mocks
- ▶ Which subjects are most useful to me – career or options open

Medicine – Chemistry / Engineering – Mathematics /

Economics – Mathematics, Further Mathematics for
Cambridge and Warwick

How to choose

- ▶ Talk to parents/teachers
- ▶ Go and visit our subject stalls in our Sports Hall after this presentation – please ask our teachers and their students all the questions you wish to ask 😊
- ▶ Read the prospectus – subject/exam board/why study this subject

Submit your choices

- ▶ There is a printed application form in your pack.
Please fill it in and return it to us

or

- ▶ Go to our website (About us -> Admissions -> Sixth Form) and fill in electronically the application form
- ▶ Please return to admissions@srms.kent.sch.uk

What happens next?
