

# Natasha's Law Bagged Fresh Fruit

1. Include a clear description of contents
2. Yes bags can be sealed
3. Include a basic description of type of grape or melon e.g. red grapes, water melon
4. If bags contain mix of fruit they must ALL be included on the label
5. Fruit must be freshly prepared before bagging.
6. If fruit has previously been subject to other added ingredients e.g. preservatives, fruit juice, they cannot be bagged up.
7. Always use our "handmade in your kitchen – please ask about allergens" stickers
