FABULOUS FOOD AT SCHOOL

INDEPENDENT CATERING is delighted to return as the catering partner at Sir Roger Manwood's School from April. We will offer breakfast, morning break and lunch freshly prepared by the kitchen team. We are focused on using local produce from the garden of Kent ensuring healthy food at lunchtime. Many of the vegetables and salads are grown locally, when in season, which reduces the environmental impact. All ingredients are free from additives, artificial trans fats and genetically modified organisms. Our service operates from the main dining room with an external Food Pod which is open all day and offers a range of drinks and street food. The main meal and dessert remains at **£3.00** providing a delicious 2 course lunch. Our menus and tariff are available on the schools' website.

NEW MEAL DEALS
