Sir Roger Manwood's School

February 2024 Newsletter

Dear Parents and Carers,

Myself, Ms Kernick and Mr Ross have been meeting individually with Year 11 students over the past week and a half and it has been good to see how well so many of them did in the Mock exams. Most of them have worked hard over the Christmas holiday and now have firm foundations in place ready for the final push through to the GCSE's in May and June.

Year 13 on the other hand have been receiving news of their University offers. Every year at this time this particular year group begins to get nervous about the fast approaching summer exams as it is now very real to them! Our congratulations go particularly to the 3 students who have received offers from Oxford or Cambridge, 2 for Medicine and 1 for Veterinary Science.

There has been so much illness amongst staff and students this term – partly we believe due to the latest Covid variant not being picked up by the tests. Some folk have been knocked flat for a week or two. Here's hoping that this lessens as we move into Spring.

The work on the Astroturf has been slightly delayed, and our construction company now say that it will be finished by the end of March rather than the second week in February.

The official opening of this wonderful new facility will be on the afternoon of Thursday 23 May, Founder's Day. Details will be shared nearer the time, but will include a very special guest, VIPs and many Alumni.

Shortly after half term, a major fundraising drive will start for funds for the refurbishment of the Grange. Again, details will come out shortly. Thank you in advance for all your support.

Lastly, I would like to thank so many parents for having been in contact with me since I shared the news of my retirement at the end of December this year. Governors under the leadership of Richard Chew, Chair of Governors, have been hard at work already on the process of selecting my successor and as always, I am extremely grateful for the time they devote to the School, and all without payment. Speaking of governors, 3 new people were appointed to the Governing Body in January – Lucy Erasmus (an OM and parent of a Year 7 student), Amanda Riley (a local resident and NHS employee) and Bridget Evans (a retired local resident and former Headteacher of a Secondary School in London). Keith Simpson (an OM, former banker and secretary of the OMA) was also appointed as Vice Chair, Keith will then step up to take on the Chair role for 2 years.

Mr Hunter

Headteacher

STAFF NEWS

I'm sure all of our community would like to join me in congratulating Mrs Moore who gave birth to Noah Pierre Moore on 5th February. Mum and Noah are doing well.

STUDENT NEWS

Congratulations to **Bryn Frampton and Finlay Walder** (both Y7) who were selected for the Dover and Deal District Football team at the start of the season. The team has gone unbeaten the entire season and finished top of the South East District league. This has not been achieved in a number of years. The league covers Bexley, Maidstone, Medway Swale, Thanet, Shepway and Ashford.

In early February **Mia Sanders** (Year 9) was again selected as part of the England Boxing, to take place in a boxing tournament called "The Golden Girl" that had representation from over 30 countries entering.

George Campling (Year 9) participated in the British Judo Association is Regional Schools competition. He had 4 fights and won them all very convincingly taking the gold medal.

4 of our students ran in the Kent County Cross Country Championship on Saturday 20 January.

Sophia Houston was 57th and **Rumer Thorpe** was 66th in the Year 7 girls' race.

Brynley Frampton was 59th in the Year 7 boys' race.

Alex Dack was 4th in the Senior Boys race.

Congratulations to all four, but especially to **Alex** as that result means he has qualified for the English Schools Cross Country Championship in March.

Nye Potter (Year 9) attended the Saracens Development Player Programme at Stone X Stadium. He had a brilliant day, especially when one of the Saracens coaches came up to him at the end congratulating him for his tackling skills!!

Responding to information about The Kitchener Scholarship sent out to the Sixth Form when she was in Year 12, we have just heard that **Anya Morling-Grove** (Year 13) beat off stiff competition at both the application and interview stage and was awarded a substantial scholarship to study Astrophysics. She will now be a lifelong member of the Kitchener Foundation with all the networking benefits this brings, and has been invited to a formal dinner in March where she will be presented with her Membership. She has also been awarded the Physics Scholarship from Royal Holloway University.

COMMUNITY NEWS

We received a lovely message from NSPCC thanking the school for the £3,500 that was raised last year from all out School Charity activities

Engage and Excel Certificates

These are awarded after each assessment. Engage Certificates are for students in both Key Stage 3 and Key Stage 4 to each pupil in the year group who achieved 11 or more A grades for effort if in KS3, or 10 or more A grades if in KS4. Excel Certificates are awarded to students in Key Stage 4 who achieve their target grade in every subject. The following is the list of students who received either an Engage or Excel Certificate after the January assessments. Well done to all.

SUBJECT NEWS

ART AND DESIGN

Mr Grimshaw created an interactive online exhibition that features some of the best work from Years 7, 8 and 9 from the first term at Manwood's. The works were selected by the Art teachers and their Year 12 Art Prefects.

The link below will take you to the exhibition. For the best experience, download the free Artsteps app on your phone, iPad or tablet as you will then be able to experience the exhibition in VR mode.

https://www.artsteps.com/view/659e5aacd4b8245fac9da73e

SPORT

A list of clubs, that ran this term can be found towards the back of this newsletter.
