## **6. The curriculum and organisation of teaching for 2026-2027**

Yr 7: All classes are taught in forms other than DT where they are taught in half classes.

Yr 8: All classes are taught in their forms other than DT, where they are taught in half classes.

Yr 9: Same as Yr 8. Mathematics two or three forms are timetabled together and upper and lower sets created. There is no setting in any subject in Year 9 other than in Mathematics.

Yr 10 and Yr 11: The whole year group is timetabled at the same time for English, Maths and Sciences. For Maths and Sciences 6 classes of approx. 25 students are created. Classes are setted in Maths and English and partly setted in Science. Other subjects are as per their GCSE options.

## **7. Capacity**

The absolute physical capacity of the regular classrooms and laboratories is 32 and that of the DT workshops is 16 – hence why students in key Stage 3 are taught in half forms (see 6 above)

The School's funding agreement is for 1070 pupils. This is broken down as 150 per year in years 7 to 11 and 160 per year in years 12 and 13.
