# Warm up round: True or False

True

False

Not a clue

# Is College the same as school?

# College is the same as school

False

College is a place where you will learn new skills and attend lessons, however, the way you learn is very different to school

These could be your classrooms!

**If I go to College  
I will not get  
into University**

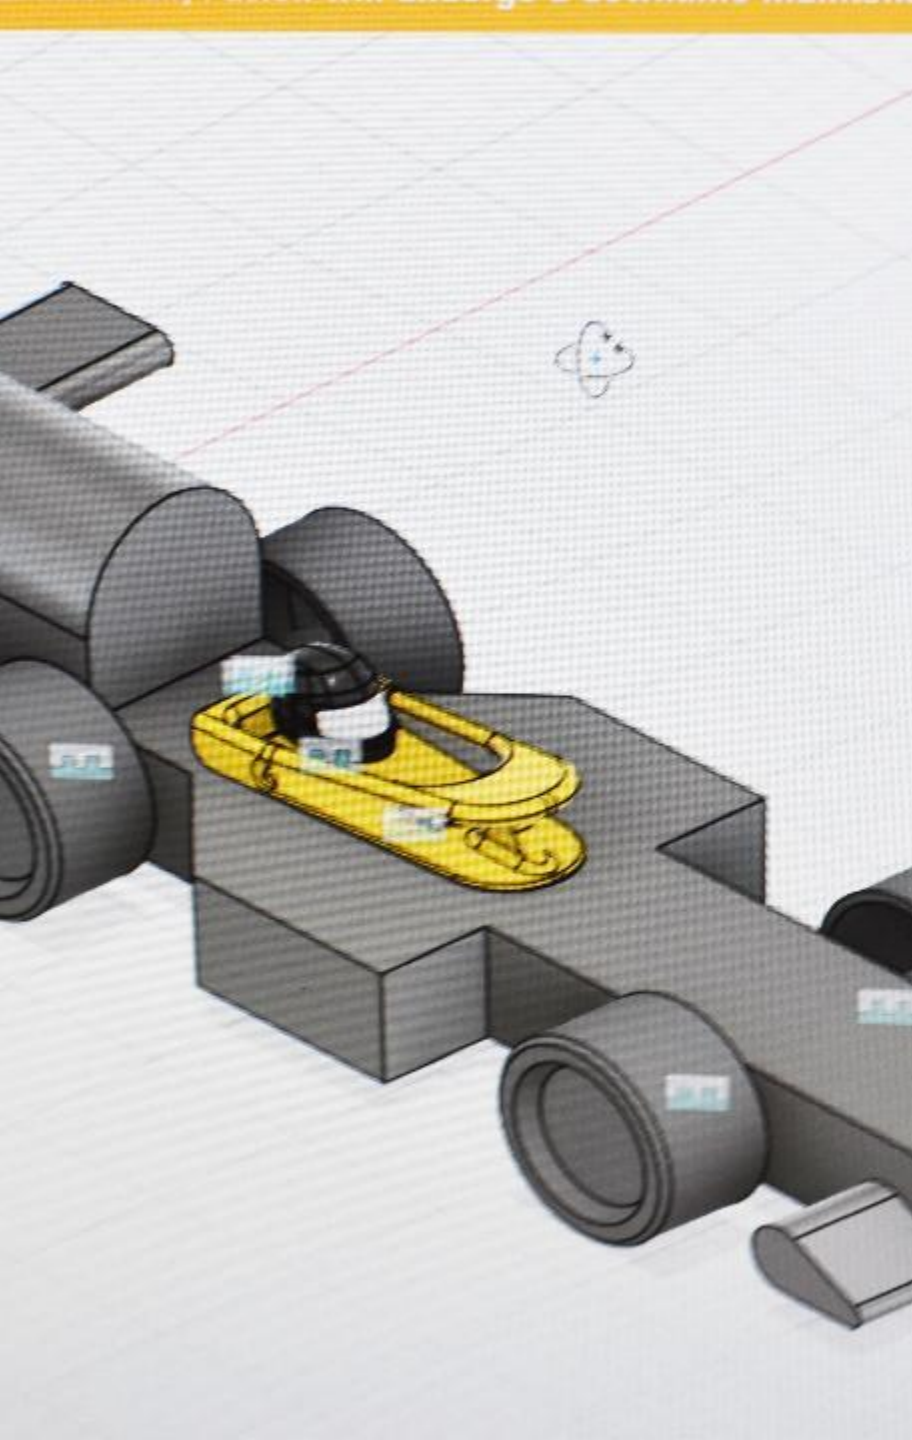

# If I go to College I will not get into University

False

College courses prepare you for University style learning. Many students have transitioned to University from College.

**You attend  
College 2-3  
days per week**

# You attend College 2 – 3 days per week

True

College courses have a varied timetable.  
You can use the spare time in the week to work  
or do other activities you enjoy.

# What are your options after Year 11..

**At EKC  
Canterbury  
Sixth Form,  
you can  
choose any  
combination  
of A Levels**

# At EKC Canterbury Sixth Form, you can choose any combination of A Levels

True

You don't have to worry about columns at EKC Canterbury Sixth Form, you can choose **any** combination of A Level courses

# A Levels

3 Subjects

Classroom based

Exam based

University, Further Study,  
Apprenticeship or Work

**I will be the only person applying for my chosen apprenticeship**

# I will be the only person applying for my chosen apprenticeship

False

Just like a job, you could be competing against 30-50 other applicants!

# Apprenticeships

Work/Job

Classroom based

Paid – starting salary  
£7.55p/h (2025)

University, Further Study,  
Apprenticeship or Work

# There is no uniform at College

# There is no uniform at College

False

If you study a Specialist Subject, you will have a uniform. For example, if you study Bricklaying you will need to wear steel toe cap boots.

# Specialist Subject

Subject

Hands-on

Levels 1, 2 or 3

University, Further Study, Apprenticeships or Work

**You will  
complete a  
45-day work  
placement for  
your T Level**

# You will complete a 45-day work placement for your T Level

True

The 45-day work placement allows you to apply your classroom knowledge in a real-world setting and gain industry experience
